

THE BOLD LOOK
OF **KOHLER**

Two different flow
options at the touch
of a button

Foamy aerated flow

Fine spray flow

PULL OUT Clairette

Ref. 692W-CP Chrome £434

Ref. 692W-G Brushed Chrome £572

Ref. 692W-BN Brushed Nickel £646

Min. 1.8 bar pressure required
Height 442mm
Reach 241mm

The Clairette with its extendable pull out hand spray is an imposing tap with its tall stature and graceful lines.

The Kohler pull out spray taps really punch their weight in the kitchen. They are unrestrained by mediocrity and are simply big and beautiful and without compromising quality. As with all pull out spray taps it is advisable to use only with high pressure systems to enjoy the full benefits of these taps.

PULL OUT Vinnata

The Vinnata straddles both retro and modern design and would be at home in a contemporary or traditional kitchen.

Ref. 690W-CP Chrome £434

Ref. 690W-G Brushed Chrome £572

Ref. 690W-BN Brushed Nickel £646

Ref. 690W-SN Polished Nickel £646

Min. 1.8 bar pressure required
Height 442mm
Reach 241mm

Essex

The Essex is a delicately shaped twin levered mixer tap with a touch of the Edwardian. Its elegant shape however would grace kitchens both modern and traditional.

Ref. 8762W

Essex

Chrome **£289**

Min. 0.7 bar pressure required
Height 394mm
Reach 235mm

Water Pressure
explained - page 119

Kohler Taps are made to the highest standards and are all WRAS approved. This ensures both safety and quality prevail.

Galeo

Maybe lacking the wow factor but this is Mr Reliable - with high quality quarter turn CD valves operated by rather nicely shaped control handles.

Ref. 18888W-CP

Chrome £70

Min. 0.4 bar pressure required
Height 270mm
Reach 194mm

Panache

A classically designed top lever tap with a broad sweeping spout.

Ref. 19545W

Chrome £99

Min. 0.4 bar pressure required
Height 139mm
Reach 222mm

Odela

A very compact tap complemented by its elegant offset spout at great price.

Ref. 19233W

Chrome £112

Min. 0.4 bar pressure required
Height 300mm
Reach 220mm

Dolphis

The Dolphis cuts a swath through its peers with a most purposeful spout.

Ref. 18889W

Chrome £106

Min. 0.4 bar pressure required
Height 124mm
Reach 237mm

Clip

The original designed single lever has not changed and doesn't need to - its elegant shape is timeless.

Ref. 19711W

Chrome £81

Min. 0.4 bar pressure required
Height 156mm
Reach 230mm

Salute

The leaning tower and swooping spout of the Salute are all part of a tap with innovative design.

Ref. 19534W

Chrome **£188**

Min. 0.4 bar pressure required
Height 300mm
Reach 222mm

Ovetto

No nasty sharp edges on these two - just smooth elegant curves - if taps had genders these would definitely be female.

Ref. 12513/8

Ovetto Pull-Out

Chrome **£241**

Chrome/Satin **£287**

Min. 1.0 bar pressure required
Height 285mm
Reach 240mm
